○Privacy Policy **【Necessary】**

Check the "Personal Information Handling Policy," acknowledge it, and then select "I agree."

→Click "Next"

8. On the ④ Confirm Application Information screen, please check that the information you entered is correct.

Clicking "Your application form (for review)" will allow you to download the application form (PDF). **Please be sure to check the application form (PDF) format.**

After clicking "Your application form (for review)," you can click the "Register" button at the bottom of the page. If there are any errors in the information you entered at this point, click the "Back" button to correct the information you entered.

! Caution

- Please make sure that you have selected the correct division.
The selected division cannot be changed after application.
When reviewing the application form (PDF), you may notice blank fields for items such as “Research topic after enrollment,” “Examination subject,” “Emergency contact,” “Examination number,” “Desired research period,” and “English proficiency.” These fields are not required for the Doctoral Program in Systems Informatics application and can be left blank.
- The “Application Form (for review)” cannot be used as an application document.
- Due to the specifications of the Online application system, even in the case of advancement, the application is still categorized as an "Application for the entrance examination." Please make sure that the "Admission Category" and "Type of exam" fields are marked as [Advancement(進学)].

→Confirm that the content is correct, then click “Register”.

9. Application complete

Once the ⑤Application complete screen appears, your application registration is complete.

To proceed with payment of the examination fee, please click the “Pay” button. If you are applying for advancement, payment of the examination fee is not required.

! Caution

If any of the following apply to you, please **do not make your payment** and promptly contact the Academic Affairs Section, Faculty and Graduate School of System Informatics by email.
